Supervisor's Report:

Supervisor Steven Vegliante: "Business has gotten to our Town. Summer is definitely here. As we struggle with our traffic, we are trying to adopt more set traffic policies we have gotten some traffic delineators from the state DOT those have been installed in South Fallsburg. Once we are done with the parking lot in Woodbourne we will probably putting up some delineators as well. The parking lot in Woodbourne is coming along I see the buildings are down. Hopefully 2 to 3 weeks for the delineators to be lined up, hopefully with that extra parking we will have a better parking situation and therefore a better traffic situation in the Hamlet of Woodbourne. We are well into our paving we have identified some extra roads that it looks like we are going to get to pave that we have the asphalt pricing. Of course our Parks and Golf courses are in full string. We are about to start our day camp. There are lots going on in the Town of Fallsburg. As always I encourage everyone to check out our Parks they are spectacular check out our Golf courses. Take a deep breath and try not to get thrown off by Friday's and Sunday traffic. It is a sign of a successful community to have traffic. We are going to try to do our best to eliminate as much

as we can. The summer is definitely here and we look forward to a successful and safe summer.”

Councilman Mike Weiner:” Other than what you said about camp being starting real soon our numbers are about what they were last year so everything is good.”
