

# Town of Fallsburg

## Adopt-A-Road Program Application

The Adopt-A-Road Program is designed as a useful activity for members of the community to become actively involved in the beautification efforts of the Town. By involving citizen participation, the Town will become a more attractive, cleaner community with a growing sense of pride. Of course, we welcome daily participation in this program, but cleanup is only required four (4) times a year.

Name of Person or Organization (this will be printed on the sign) :

---

Road Name & Distance including Starting & Ending Point (must be at least 1 mile) :

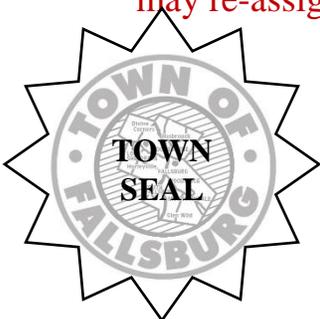

---

I agree to clean my section of road at least four (4) times a year. The suggested times of year are at least once in the Spring, twice in the Summer and at least once in the Fall. I will call to make arrangements for pick-up of debris (845) 434-8810 within three (3) days of pickup. If I am unable to continue the Adopt-A-Road Cleanup Program, I will contact the Town to re-assign my road.

**Signature of Participant:**

---

The Town will install two signs on the designated road, stating the name of the participant or organization. The Town will also provide litter bags and will provide pickup of debris by the Town Personnel. The Town will assess the cleanliness of the Adopt-A-Road at least once a year. If the road is not cleaned, then the Town may re-assign the section of road to another participant.
