By Supervisor Vegliante

Supervisor's Report:

By Supervisor Vegliante: Stated that COVID Vaccines are now somewhat readily available. People are able to sign themselves up for an appointment on the County's website. The State website also allows for sign-ups at neighboring locations. If anyone is having trouble getting to and from a vaccine site, there are various resources available through the County and you may also contact the town and my office will help as well. Our facilities are still closed to the public; however there are certain offices which are open by appointment. Please call ahead. There are also other means of handling document / payments via drop boxes at our town offices, mail, and email. Etc. With regard to our parks department, one by one we will be opening some playgrounds as proper protocol allows. To be clear to the public we will clean as often as possible but generally once a day. Everyone should also use their own protocols by washing hands frequently, using hand sanitizer and maintain social distance. We can't go out and clean the entire facilities right behind every person who uses them but we will do our best to maintain and keep them clean. Our opening weekend at Tarry Brae Golf Course was very successful. The course is in great shape. I'd like to thank our greenkeepers and Pat for keeping them looking good and our clubhouses will be open once again of course following proper COVID protocols.
