## **STORAGE CONTAINERS:**

### **§ 100-2 Suitable containers required.**

All commercial or residential construction sites, whether a building permit is required or not, shall have suitable containers on site at all times to accommodate any and all construction-related debris.

### **§ 100-3 Covering of containers.**

Containers are to be covered each day and night when not in use.

### **§ 100-4 Storage inside buildings.**

Storage of construction-related debris may be inside the building.

### **§ 100-5 Availability and submission of landfill receipts.**

[Amended 5-11-2010 by L.L. No. 7-2010]

Construction debris must be properly disposed of at the landfill at the end of the construction project. All landfill receipts must be made available upon request of the Code Enforcement Officer and must be submitted to the Code Enforcement Office prior to issuance of a certificate of occupancy.

### **§ 100-6 Outside accumulation of debris prohibited.**

No outside storage of construction or project-related debris shall be permitted to accumulate, and all outside areas of the work site must remain free of debris, trash and garbage and must be cleaned regularly to ensure compliance.

### **§ 100-7 Stop-work order for noncompliance.**

[Amended 5-11-2010 by L.L. No. 7-2010]

In the event of noncompliance with the provisions of this article, a stop-work order shall be posted on the property and all project-related activities shall cease until the Code Enforcement Officer has inspected the property and compliance is verified. A stop-work order shall encompass the whole of the job site that is deemed in violation.

I have read the above stated code section regarding construction debris and-storage and fully understand that outside storage of const. debris is prohibited and a stop work order for the entire const. project may be imposed for violation of this code section.

I do hereby agree to provide suitable const. debris storage as required by this code section and to always keep the job site clean.
